WORK EXPERIENCE

DREAM TECH PVT LTD

Software Developer Intern

- Collaborated effectively within a team environment to develop a full-stack web application using **HTML, CSS, JavaScript, React.js, Node.js, MySQL, PHP, Bootstrap, and Express.js**
- Designed a responsive **front-end**, implemented **APIs**, and managed a **MySQL** database for dynamic content handling
- Developed responsiveness for multiple devices, resulting in a 15% increase in unique clicks among mobile users

EDUCATION

Himalayan Institute Of Technology (Affiliated To Hemvati Nandan Bahuguna Garhwal Central University)

Bachelor Of Computer Applications

2022 - 2025

Glacier Public School

X-2020 , XII-2022 (CBSE)

PROJECTS

TRAVEL- AGENCY

- Developed a **Travel-Agency Website**, to provide users with the best travel deals and solutions to their desired destinations.
- Built using **HTML, CSS, React.js, JavaScript, Bootstrap, and Firebase**
- **Media Queries**: Employ CSS media queries to adjust layouts and styles based on device characteristics, enhancing user experience across devices
- **Real-Time Database**: Use Firebase's real-time database to manage dynamic content, such as travel packages and user bookings
- **Authentication**: Implement Firebase **Authentication** to manage user **sign-ups, logins**, and secure access to personalized content
- **Meta Tags and Structured Data**: Appropriate meta tags and structured data to enhance **Search Engine** visibility

AI-CHAT-BOX

- Developed responsive **Chat Box Application** using **React.js** and integrated with the **ClaudeAPI**, providing users with seamless interaction and secure access through a login/register system
- **User Interaction**: Sends user queries to ClaudeAPI and displays responses
- **Responsive Design**: Ensures a user-friendly interface across devices
- **Authentication**: Includes a secure **login/register** page for user access

SKILLS

- Languages : C, C++, Python, Javascript, Html, Css
- Frameworks : React.js, Express.js, Node.js, Bootstrap
- Databases : Sql, MySql, Firebase
- Tools : Visual Studio Code, Git and GitHub

Achievements

- Secured a second position in **Campus hackathon**
- Letter of recommendation by **Oasis Infobyte**
- **Geeks For Geeks** problem solving achievements

Hobbies

- Engaged in physical activities to maintain both physical and mental well-being.
- Capturing the beauty of natural landscapes through photography.
